

# JBbuilders

We at JBbuilders specialise in residential property refurbishments and brick-work. We believe in creating homes to your individual style and taste that will be everything you dreamt of. Even with the most challenging of projects we will always provide you with outstanding results. We satisfy our clients requirements through high

quality workmanship and attention to detail, working with architects, surveyors and interior designers. Your project will be professionally handled by a dedicated and experienced Project Manager with whom you will have constant dialogue and contact, from the outset to the very finish.
